

# Medical Utility Clips

*Highest Quality • Best Price  
One-Day Service*

## THROW AWAY YOUR TAPE

Place tubing, cords and cables in the adjustable strap and clip to polls, carts and towels, allowing you to control tubing and cables coming to and leaving the field.

Anesthesiologists can clip drapes to a pole and control tubing and cables using the adjustable strap.

Snap-N-Clips are made of high impact, reusable, autoclavable material, and they have many more features not found on Zim Clips and at a fraction of the cost of a Zim Clip.

## Snap-N-Clips

*If you use and like the Zim Clips, you will love DC Surgical Solutions utility clips. WHY YOU ASK?*

## Utility Clips

DC Surgical's utility clips are made of the highest quality, durable, high impact, reusable, autoclavable material in the medical industry.

- Our utility clips cost a fraction of the price of a Zim Clip.
- Unlike Zim Clips, we have never had a back order on any of our utility clips.
